SOME IMPORTANT THINGS TO NOTE

Hello fellow divers and future divers! Here are some important details:

Booking and Payment

- To secure your spot, a 50% deposit is required at the time of booking.

For Discover Scuba Divers (DSD):

- If you decide to stop during or after training, you need not pay the remaining 50%.
- However, once you get on the boat or start the dive, the full payment is required when you're back.

For Certification Courses:

- The remaining balance needs to be paid after your first two course dives.
- If, for any reason, you don't manage to pass your certification (don't worry, we'll assist in every way to make sure you do!), we can plan extra days and training for an additional fee.

Medical Information and Waiver

- All divers must sign a medical waiver before diving.
- If you have any serious health conditions (e.g., recent surgery, ear problems, or epilepsy), or if you're pregnant, please let us know now. You might need a doctor's clearance before coming here.

Cancellations

- No charge for cancellations 10 days before your dive - an alternative date or full refund will be made.
- No refund for cancellations made with less than 10 days' notice.
- Please note that our dive trips depend on the weather. If we have to cancel, we'll offer alternative dates.

Also note

- You'll be using a lot of our equipment - please treat it kindly. Charges may apply for any negligence or loss or damage of the same.
- While we'll do our best to keep your personal belongings dry and safe (ask our dive staff to put it all in the dry bag on the boat), we are not responsible for any loss or damage.
- While we strive to capture your diving moments, please understand that rare technical issues with our camera equipment may occur, which are beyond our control.
- Please be aware that you should not fly for up to 18 hours after your last dive.

If you have any questions about anything above, please feel free to WhatsApp us. We're here to help!
